

DECLARATION (37 CFR 1.63) FOR UTILITY APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76)

As the below named inventors, we declare that:

This declaration is directed to: U.S. Patent Application Serial No. 09/918,323 filed July 30, 2001,
entitled: **Peripheral Device Detection and Notification.**

We believe that we are the original and first inventors of the subject matter which is claimed and
for which a patent is sought;

We have reviewed and understand the contents of the above-identified application, including the
claims, as amended by any amendment specifically referred to above;

We acknowledge the duty to disclose to the United States Patent and Trademark Office all
information known to us to be material to patentability as defined in 37 CFR 1.56, including for
continuation-in-part applications, material information which became available between the filing
date of the prior application and the National or PCT International filing date of the continuation-
in-part application; and

All statements made herein of our own knowledge are true, all statements made herein on
information and belief are believed to be true, and further that these statements were made with
the knowledge that willful false statements and the like are punishable by fine or imprisonment, or
both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent
issuing thereon.
